

# BROWNWORX

BrownWorx is a family run business making wooden toys.

They are very popular with pre-schools and Creche's. Real good quality toys are ensured. Below are some examples on the brochure.

## BrownWorx

(with Mattress and sheet set)

Contact: Leandr  0735965781 for details or suggestions

They also make other items from wood or steel.

Bennie Brown makes beautiful items of wood or steel, like coffee & dining tables, cupboards, gates, steps and railings, shelves, etc. He is a very creative man and can make almost anything you need, always up for a challenge.
